Accommodation

Hotel Plaza el Bosque, Santiago

Remota Hotel, Puerto Natales

An ultra modern, environmentally friendly building on the water's edge to the north of Puerto Natales, Remota feels what its name suggests, a 'remote retreat from modern life'.

Hotel Cabo Hornos, Punta Arenas

Cabo de Hornos Hotel, boasts a privileged location at the centre of Punta Arenas' historic district, only steps away from the main cultural, gastronomic and historical attractions that the vibrant city offers.

Hotel Cabana del Lago, Puerto Varas

The lakeside Cabaña del Lago Hotel is close to the centre of Puerto Varas and offers sweeping views of the town and the Osorno volcano. Its location is best appreciated from the restaurant, which overlooks the lake and surrounding scenery.

Hotel Le Refugio, San Pedro de Atacama

El Refugio is surrounded by the wild, desolate beauty of the Atacama Desert, one of the driest places on Earth. This retreat is built using organic materials – adobe, wood and stone – in harmony with the natural setting.
